## EXPERIENCES

---

### Notion

Pampanga, PH

Campus Leader | Community Management, Productivity Software, Event Planning

Sept 2025 - Present

- Spearheaded the regional Notion student community, architecting internal workspace templates to streamline event planning and organizational logistics.
- Organized and led technical workshops, successfully onboarding 100+ students to structured digital workflows, databases, and personal productivity systems.
- (Previously: Volunteer | Nov 2024 – Sept 2025) Supported large-scale community events and daily operations.

### Cybersecurity Intelligence Alliance (CSIA)

Pampanga, PH

Events Director | Logistics, Strategic Planning, Risk Assessment

May 2025 – April 2026

- Directed complex, large-scale technical events focused on cybersecurity awareness for the university student body.
- Managed cross-functional teams using advanced project management dashboards to ensure seamless event logistics, promotional scheduling, and technical execution.

### Google Developer Groups on Campus - HAU

Pampanga, PH

Events Lead | Technical Workshops, Hackathons, UI/UX

June 2024 – April 2026

- Led the end-to-end planning and technical execution of developer-centric hackathons and coding workshops.
- (Previously: UI/UX Staff | Aug 2024 – Mar 2025) Designed intuitive, aesthetic interfaces for internal student projects, prioritizing accessibility and modern visual frameworks.

## PROJECTS

---

Lumo - SkyDev Hackathon 1st Place | AI Navigation, Python, Next.js, Algorithms

Oct 2025

- Developed an innovative navigation solution leveraging AI to assist users with route optimization and accessibility.
- Utilized Python for backend logic and Next.js to build a responsive, user-friendly frontend interface.

peeView | Medical AI, React, Tailwind CSS, Artificial Intelligence

June 2025

- Created a medical interpretation tool designed to analyze data using Artificial Intelligence for preliminary health insights.
- Integrated modern web technologies including React and Tailwind CSS for a clean, accessible user experience.

## PROFESSIONAL CERTIFICATIONS

---

- **Cisco Networking Academy:** Data Analytics Essentials | Introduction to Networks | Cyber Threat Management | Endpoint Security | English for IT 1 | JavaScript Essentials 1 | Introduction to Cybersecurity
- **Notion:** Notion Advanced Badge | Notion Essentials Badge | Notion Workflows Badge
- **freeCodeCamp:** Responsive Web Design | Relational Database
- **AIIESEC Philippines:** Data Literacy
- **DataCamp:** AI Fundamentals | Data Literacy
